

A TO Z OF CHRISTMAS...

E IS FOR... EXTREME WEATHER

True Spirit umbrella, £8.99

This new see through broolly from True Spirit is the perfect weapon in the fight against winter's wild winds. The clear dome has 1970's Charlie Girl connotations while enabling clear 360 degree vision. Is there anything more unfriendly than a nation walking through the rain looking down at their feet? Look up we say. Look up and smile!

Available in clear with pink, banana or white trim and available exclusively from Superdrug stores this winter.
