FAMOUS BY SUE MOXLEY BACKS THE BLUES

This summer BLUE is the colour and looking fabulous is the game. The FAMOUS by Sue Moxley collection is packed full of must-have glitzy products to bring every make-up bag up to date, including some bang on trend shades of blue.

Sue Moxley, co-creator of FAMOUS and member of the Superdrug Beauty Board gives her three key looks for a blue spring:

- “Blue has been all over the catwalks and it’s one of the easiest runway looks to create at home. Create a symphony of blues on the eyes with shadows blended well, with blue liner and electric blue mascara for a tonal mélange.”
- “For a subtle look use a single baby blue shade across the lid, teamed with sharp black liner and lashings of lengthening black mascara.”
- “Match dove grey eyeshadow or pale iridescent shell tones with a shimmering metallic blue liner, then tip freshly macara’d black lashes with a dusting of blue glitter dust”

Single eyeshadow £9

Metallic eyeliner, £7

Glitter pot, £10
